Happy Easter!

On behalf of everyone here at school I would like to wish you all a very happy and blessed Easter.

Today we had a very reflective Easter worship led by our Worship Team and some Year 6 children. During the freeze frames of the main events of Holy Week we had time to wonder why the events happened, how the people present felt and what it might mean for us today.

Thank you Lord Jesus, that you stretched out your arms on the cross to show us how much you love us.
You love us so much that you died on the cross for us so that we can be close to God.
Help us remember your love as we celebrate your resurrection this Sunday.
Help us to share your love with everyone we meet.
Amen

Easter Blessings from our Church

Dear Parents & School Families,

On behalf of St John's Church may I wish you a very happy Easter holiday. I hope that families have a good and refreshing time together.

As we celebrate the heart of our Christian faith - that Jesus died for sins and was raised on the third day - you are warmly invited to join us for this year's special services.

On **Good Friday** we have a one hour service, from 11.00 to 12 noon, which includes separate teaching for children, so all ages are welcome.

On **Easter Day** we are having a special Easter Praise Service at 10.00 am (but please note the clocks change!). This will be a bit like a carol service, but with an Easter theme.

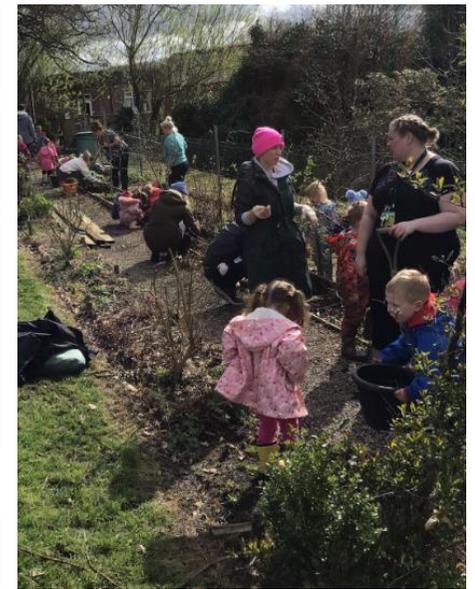

My hope is that it will be a great time of rejoicing together.

With very best wishes
Philip

Welly Wednesday Stay and Play

Yesterday our school garden was bustling with activity. A huge thank you to the children of Willow and Ash Class, all their family members who came and the EYFS staff team who worked wonders in our garden yesterday. Thank you to parents for the very generous donations of plants and compost. Everywhere has been weeded, cut back and two of the raised beds are now bursting with spring colour. We hope many of you will be back on Tuesdays after school for our Gardening Club. There is no need to sign up – just come when you're available – bring the whole family – grandparents and toddlers are welcome. We will be planting fruit and vegetables next and you'll hopefully get to eat them in time!

PTFA Update

Many thanks to Mrs Seers, the rest of the PTFA and everyone who has supported recent events. Thank you so much to everyone who attended our Easter Bingo last night and to all those who helped to organise it. We had a full house and a wonderful evening of family fun.

We raised an amazing £854!

Thank you to Mrs Birkenshaw for organising and collecting all the doughnuts – this raised £97.50!

Our recent PTFA funded purchases for school are:

- A sound system with microphone which Mr Kay made good use of at bingo last night!
- A huge selection of Read, Write, Inc home reader books and a subscription to RWI e-books for families to access at home. This totalled £2600.

Year 5 and 6 enjoyed a challenging computer workshop yesterday, using coding to create a virtual world with a racetrack and two competing characters. Jam Coding will be running an after school club next term for KS2 children – look out for details next term. They run local holiday clubs over Easter too – ring 01254 480 470 for details.

Rock Steady Concert

Well done to all our young rock stars who performed in a brilliant concert for the rest of school this week.

Pre-School Places Available

Full time places are available for September. Limited, part-time places, are also available for after Easter. Contact the office for details or our website for an application form.

Clayton-le-Woods
Pre-School

Beech class completed their design technology moving birds project this week
Well done Year 3 – fantastic work!

July	
Wednesday 10 th	Summer Fayre

Gardening Club

Fresh air, exercise, enjoying nature – what could be better? Come along to help in our garden on Tuesdays after the Easter holidays.

Everyone is welcome to join us in our garden straight after school. You don't have to commit to coming every week – just join us when you can.

Children are welcome to come from Pre-school up to Year 6 with a parent/carer. Feel free to bring your own gardening tools if you prefer. We have lots of plans to develop our garden area this year and we need lots of help.

All participants will be able to take home any fruits and vegetables we grow.

Attendance this Week

Overall attendance = 95%

Late marks = 26

We know lots of children have been poorly with measles, scarlet fever symptoms and other viruses. Let's hope everyone makes a quick recovery in the holidays and we have a healthy term in the summer.

Our Vision

Together we inspire one another to live life to all its fullness, rooted and built up in Christ, so that every member of our school community can learn, develop and flourish, to live in the world as the unique individuals God created us to be.
